

Safety Contract

Per 1

1. I will behave in an appropriate manner in the laboratory at all times, and will not engage in behavior that is disruptive, dangerous, or interferes with another student's right to learn.
2. I will use all laboratory materials and equipment for the purposes assigned to them regardless of familiarity.
3. I will protect my eyes, face, and hands while engaging in lab activities by wearing safety goggles and, when needed, gloves and other protective gear.
4. I will work only at/with my assigned work station and group.
5. I will follow all written and oral instructions, and will wait until I receive my teacher's permission to begin a lab activity.
6. I will not carry out unassigned lab experiments without my teacher's permission.
- ~~7.~~ I will not eat, drink, or taste anything in the laboratory regardless of familiarity. This includes food and drink as well as lab materials.
8. I will wash my hands thoroughly after using chemicals and lab equipment. When using chemicals, I will not touch my mouth, lips, or eyes until I have washed my hands.
9. I will report any injury, regardless of severity, to my teacher immediately.
10. I will report any accident, spill, or break of lab equipment, regardless of severity, to my teacher immediately.

I understand that failure to comply with these safety guidelines may result in my being removed from class and that I will lose credit for the work that is done during my absence.
