

Poulsbo Middle School

6th Grade Registration 2018-2019

Welcome to Poulsbo Middle School, "Home of Panther Pride!"

Our school-wide goal is to develop a positive school climate built on trust and respect through planned activities

CORE CLASSES

6th grade students are enrolled in the core classes of English, social studies, science, math, and P.E./Health.

ELECTIVES

6th grade students take either band OR exploratory rotation for their elective.

BAND is an all year (2 semesters) class. Students begin the experience of instrumental music performance. Participation in school and after-school performances is required. Instrument, book, and uniform are required. Uniform consists of a black pant or skirt, white top, and black shoes.

If you are interested in taking Band next year and have not yet signed up, please complete the form on the back of this page and return it to your elementary teacher who will send it to us. If we do not receive a band form from you we will automatically enroll you in the exploratory rotation.

EXPLORATORY ROTATION will consist of one quarter (9 weeks) of each of the following classes:

- **ART** Students will experience a variety of techniques and use of materials to produce two dimensional and three dimensional arts, such as drawing, painting, and ceramics. A supply list will be available the first day of class.
- **CHOIR** The focus will be on establishing correct vocal technique, ear-training, good intonation, and preparatory music reading skills. The class will apply those skills to performance of music styles from around the world. This choir performs at all school concerts. Participation in end of the quarter school and afterschool performances is required. Uniform consisting of black pants or black skirt, white top and black shoes is required.
- **FOOD SCIENCE** Emphasis is placed on safety and sanitation, working together as a team, and nutritious snacks. Students will participate in 4-5 cooking labs.
- **PRE-ENGINEERING** Students will explore the different aspects of technology, how computers work, measuring, engineering drawing, electricity, simple machines, and design. Students are expected to bring a pencil (.5 mechanical preferred), a good eraser, and a sharp mind to class every day.

Please call 396-3213 if you have questions.

6th Grade Band Registration Form

To: Sam Walder, Director of Bands, Poulsbo Middle School

In order to schedule you into the correct class, please **mark an X next to your choice and circle the instrument**
