

Earth Stewards Club

I, _____, give my son/daughter/student _____ permission to participate in the Poulsbo Middle School Earth Stewards Club, to meet on specific Tuesdays from 2:30-4:00 with some weekend field experiences throughout the year. Students are expected to arrive by 2:30pm and may not leave without written or telephoned parental consent until 4:00pm. If picking up, please drive into the Bus Loop at or before 4:00 so your student will see you arrive. Additional information will be provided as Field Experiences are planned and confirmed.

I understand this is a voluntary club and that my child's participation is not mandatory, nor is my child's participation in all club activities mandatory for my child to be an active member. I understand that all Poulsbo Middle School rules and procedures apply to club meeting times, including punctuality and dress code. I understand that students will discuss environmental issues/studies and help implement environmental restoration activities. I understand that an aspect of the Earth Steward's club is to engage in environmental activities on specified weekends and off school grounds.

Earth Stewards meet in room B-2 with their advisors Ms. Keltner and Ms. Nausid. At times we walk from B-2 out to our Pond to address related environmental topics. Pictures are taken during field experience and club meetings. Please be sure to indicate on this form if you do not want your child to be photographed. Our pictures often go up on posters in school, PMS Instagram page, District website, school news, and other social media sites to highlight our service and/or educational experiences.
