

LEO CLUB PERMISSION SLIP

I, _____, give my son/daughter/student,
_____, permission to participate in the Poulsbo Middle School LEO Club, to meet on Mondays (and possibly some Tuesdays, depending) from 2:30 pm to 4:00 pm (we will meet weekly for the first part of school, then will reduce meetings as needed throughout the year). I am prepared to either provide transportation home, or have my child walk home. I understand this is a voluntary club and that my child's participation is not mandatory, nor is my child's participation in all club activities mandatory for my child to be an active member in the club. I understand that all Poulsbo Middle School rules and procedures apply to club meeting times, including punctuality. I understand that the LEO Club is a community service club and that some of the LEO Club's activities take place on weekends and off school grounds. Students participating in after school sports and activities are welcome to join in LEO Club activities when those have ended for the season.

LEO Club will be held in Mrs. Ebert's ART classroom. Students are expected to arrive by 2:30 pm, and may not leave without written or telephoned parental consent until 4:00pm. **Snack and beverage donations are welcome and most appreciated.**

Please sign and return to Mrs. Ebert.
