

Quiz Corrections

- Must be done on a separate piece of paper
- Must be stapled to your quiz

For Multiple Choice questions:

1. Write out the complete correct answer.

EX: "The correct answer is D." **This answer does not show new learning and would not get credit, even if D was the correct answer.**

EX: The eye of a hurricane is not a horcrux. The eye of a hurricane is a vortex. **This answer includes enough information to show that there is some new learning and would get credit.**

2. Tell me on what page and in which activity you found the answer in your Science Notebook or Textbook. **You will not receive credit for corrections if you don't include this part.**

For Fill in the Blank questions:

1. Write out the complete sentence with the correct word or words.
2. Tell me on what page and in which activity you found the answer in your Science Notebook or Textbook. **You will not receive credit for corrections if you don't include this part.**

For Short Answer questions:

1. Re-write your entire answer and include your new answer.
2. Tell me on what page and in which activity you found the answer in your Science Notebook or Textbook. **You will not receive credit for corrections if you don't include this part.**

Once you have finished correcting all of the missed questions, answer the following questions using complete sentences: **You will not receive credit for corrections if you don't include this part.**

1. Explain why you missed the questions you did on the original Test/Quiz.
2. Explain how you can improve your preparation for the next assessment. BE SPECIFIC

Have your parents sign and date the bottom of your corrections (Not this form).

You will not receive credit for corrections if you don't include this part.

Finally, staple this form, your corrections and original Test/Quiz in that order and turn it in.
