

Hello Panther Families

What a great start to a new year. It has been a lot of fun welcoming a great group of sixth graders to the Panther family this year and seeing all the growth our seventh and eighth grader did over the summer.

Stay connected with Poulsbo Middle School this year by following us on both Instagram and Facebook. This is a great way to see the great things happening and stay up to date with events and activities throughout the year.

This past year the district embarked on the creation of a new strategic plan for the North Kitsap School District. Through collaboration between members of the district, the community, and students the district has developed a new vision, mission and core values. This new document will guide the work of the district for years to come. Below is a link to the district new strategic plan. I encourage all our families to take a few minutes and look over the new North Kitsap Strategic Plan.

Our Associate Student Body fundraiser is going on now. This fundraiser supports school events that include; afterschool socials, clubs, activities, athletics, spirit days, pep assemblies and much more. Please see the link below if you have any questions. Thanks for your support!

I am looking forward to another great year and if you have any questions or concerns, please don't hesitate to contact us.

Make it a great day

Josh Emmons  
Principal

Hello, PMS Families! Your PTA is already hard at work. We held our first staff appreciation event just this morning, spirit wear orders are being taken care of and we are planning for upcoming events such as Book Fair during conferences week! If you haven't had a chance to sign up for membership or if you are still needing spirit wear, the links are below. **We can accept online spirit wear orders through Tuesday 9/17.** Membership fees and spirit wear profits all go towards taking care of our students and staff. Thank you for your support!

Sincerely, The PMS PTA
