DIGITAL LEARNERS and PACKET LEARNERS This week you have three assessment activities to show what you have learned about ratios, rates, proportions and percents.
*****These assessments will be used to gather data on what you have learned about these concepts. This information will inform your current teacher as well as be shared with you 7 th grade math teacher for the 19-20 school year.
#1) Ratios and Proportional Relationships Math Stations – 20 points <ol style="list-style-type: none">1. Complete the 20 Stations/Task Cards2. Use the Station Answer Sheet to show all of you work – tables, tape diagrams, graphs, double number lines are already created for you3. Upon completion take a picture and email your answer sheet to your teacher
#2) Proportional Relationships Matching Activity – 6 points <ol style="list-style-type: none">1. Cut along the dotted lines to separate the 6 equations, 6 tables, 6 graphs and 6 word problems2. Sort the cards to create six complete matching sets that have the same Constant<ul style="list-style-type: none">• Each set has an equation, a table, a graph and a word problem3. On a piece of paper write the 4 letters that create each of the 6 sets4. Email your 6 letter sets to your teacher
#3) Fraction – Decimal – Percent Color Design – 8 points <ol style="list-style-type: none">1. Directions are written on the assignment – READ CAREFULLY2. Upon completion take a picture and email your design and F-D-P to your teacher
Due Friday May 22 You have all week to complete the 3 activities. Make sure you have all your past worksheets, HOLT work and Khan work all caught up!!!!!!

Agate Language Arts

Mrs. Roberts Office Hours: T/TH 10-11 AM; contact me in Microsoft Office 365 Teams, or at: ALRoberts@nkschools.org

This Week's Agate Language Arts Work:

Week 6

- **Finish any unfinished study guides or articles that go along with our study of the novel *Dragonwings* and turn those in ASAP!**
- **Reading:** You should have started reading *Percy Jackson and the Lightning Thief*.
- **Brainstorm how you might Design/Create a Poster:** showing how Percy Jackson goes through the "12 Stages of the Hero's Journey," throughout the novel. In other words, think about how you might want to **create an attractive poster project with descriptions/illustrations of each of the 12 Stages of Percy Jackson's "Hero's Journey."**
- **Zoom Meeting:** We met to discuss this project, during our last Zoom meeting, which was on May 12th. If you missed the Zoom meeting, and are confused about the requirements, then email me. I have posted the "12 Stages of the Hero's Journey" handout to my Teams site, under "Assignments."

Digital: *Dragonwings* study guides and remaining articles, which go along with that novel, need to be wrapped up and submitted. You should be reading *Percy Jackson and the Lightning Thief*, and taking notes about incidents he goes through, which illustrate each stage of the hero's journey, throughout the novel. Be planning how you will create a poster to share the information with me.

Non-Digital: If you are turning in hard copies of your study guides, or articles, they may be dropped off at PMS, during the grab and go lunch time, at the back of the school, near the gym, from 11 am-12:30 pm, on Monday, May 4th.

Make sure my name and correct email address, as well as your name, the school name, PMS, and the subject (6th grade AGATE ELA) are written on any assignments you drop off.

Ms. Reister Office Hours: Tuesdays/Thursdays 10-11 AM; contact me via email at breister@nkschools.org

This Week's Social Studies Work:

Continue to turn in work as you have it finished

No penalties are given for late work.

Digital Assignment: Lesson 27-*Life in Two City-States: Athens and Sparta*

Things to do: Read Lesson 27, take notes using the online "Notebook," play the lesson game, and take the quiz, which is due Monday, May 25th, by 12 Noon.

REMEMBER: Read and do notes BEFORE the TEST!

Complete the Student Notebook Online, called "Interactive Student Notebook." Use Textbook Lesson 27 to find answers for the questions in the Interactive Student Notebook. Notes will be scored! There will also be an online Quiz **due Monday, May 25th, by 12 Noon**. Please practice the [vocabulary and Lesson Game](#) to help you practice for the quiz. **Make sure all of your notes are using evidence from the text *in your own words* to support your answers.**

Tip: Make sure that you are in Lesson 27 when you click on Notebook, on the left-hand side of the online program of choices, in the online textbook. You will be able to type your answers right into the Notebook provided for each section.

Ms. Roberts and Mrs. Marks will also upload a copy of the Interactive Student Notebook at our Teams site in Files under Classroom materials, as well, in case you would rather fill out a hardcopy of the Notebook packet. You will be able to use these for quizzes.

Things to notice from Lesson 27: The city-states Athens and Sparta are almost "polar opposites" of each other but are both Greek! Take careful notes about the differences in these two city-states as you read. You may even want to make a T-chart to compare; Government, Economy, Education, and Treatment of Women/ Treatment of Slaves.

Enrichment Activities will be included this week in Mrs. Marks's email on Monday morning, including suggestions for some videos to watch. THIS IS OPTIONAL and will require additional work and participation through Teams. You can choose to participate after you read through the activities.

Mrs. Marks will hold a Zoom meeting for her Period 3 on Thursday, May 21st, at 10:00AM, and for Periods 4 and 6 at 10:30 AM, to review for this online quiz. I will send you an invitation to join the group prior to our meeting. **Please check your school email for the invitation**

Ms. Roberts will be holding a Zoom study session, with her 1st period class, on Thursday, May 21st, at 10 AM, to review for this online quiz. I will send you an invitation to join the group prior to our meeting. **Please check your school email for the invitation**

Non-Digital Assignment: Lesson 27-*Life in Two City-States: Athens and Sparta*

You may even want to make a T-chart to compare; Government, Economy, Education, and Treatment of Women/ Treatment of Slaves.

Send email questions to Mrs. Marks, before you take the paper or online quiz.

If you are not able to join Ms. Roberts’ online Zoom meeting, please study the text well, and send email questions to Ms. Roberts, before you take the paper or online quiz.

Mrs. Marks’s classes: Please look on Files on Microsoft Teams and enrichment activities will be available for Ancient Greece. You may still enjoy a Gallery Experience looking at your classmate’s posters and making comments of appreciation.

How to sign on to Microsoft Teams: Go to Office 365 with your 09 login. One of your options, besides Outlook where you can check your email, is Teams. Mrs. Marks and Ms. Roberts have set up a Team for each of their class periods. There you may turn in your posters, under the Assignment tab, at the top. Teams also allows you to check assignments and post questions or comments. It will also allow you to sign up for video discussions that Mrs. Marks’ classes will have through Teams this week.

How to Stay Fit for Life

Physical Activity Facts from the CDC Resource:

<https://www.cdc.gov/healthyschools/physicalactivity/facts.htm>

Kids are busier than ever before. They feel pressure to do well in school and keep up with music lessons and other activities. But most kid's hectic schedules leave out one of the most important activities: exercise. Less than one-quarter (24%) of children ages 6 to 17 years of age participate in 60 minutes of physical activity per day. This trend is a big factor in the rising rate of obesity among kids.

Experts suggest 60 or more minutes of exercise every day. Exercise can help you relax, reduce stress and boost your self-confidence.

Your task is to write down a plan for a daily physical activity you could do with your family members. Brainstorm with your family for an activity you can do together, for example kicking around a soccer ball. You do not need to include your entire family if that is not possible.

Performing and Visual Arts

Band:

Mr. Walder's Office Hours: Tuesday/Thursday, 9-10am.

[Click here to join the Zoom office hour.](#) This is an opportunity for students to drop in and say hello to Mr. Walder, ask music questions, or just hang out and catch up with fellow band students

Meeting ID: 992 8839 2548

Password: 170511

Mr. Walder's email address: swalder@nkschools.org

YouTube Livestream: Every Friday at 1:00pm, Mr. Walder will be hosting a livestream on YouTube! Join the livestream to watch Mr. Walder learn to play the trumpet, answer questions, and maybe perform some piano & clarinet duets with Mrs. Walder. [Click here to go to Mr. Walder's YouTube channel and subscribe for livestream updates.](#)

Optional End-of-Year Project:

Student Composition Competition: Students are asked to compose their own music and submit a copy of their music to Mr. Walder to enter the competition. Winners from each class will be selected based on creativity, musical aesthetic, and craftsmanship. This is not required! Feel free to compose a song and send it in if you want

Students may print out blank staff paper and write by hand ([click here for blank staff paper](#)). Students may compose using a computer program – many options are free right now: [Finale](#), [MuseScore](#), [Noteflight](#)).

Rules:

1. Compositions must include a title, tempo marking, time signature, dynamics, and other required musical markings.
2. Music may be written for any combination of instruments, from a solo up to a full band. Doesn't have to be your instrument!
3. Songs must be original, cannot be an arrangement or copy of an existing song.
4. Compositions must be submitted digitally or by drop-off at the school by Friday, May 29

Winners will be announced on the [LIVESTREAM](#) on Friday June 5!

Band Remote Learning Guide

NEW: Band students may choose ONE activity from the list below to complete each week. Many activities ask that you produce something such as writing or a video. Please submit any work on the band log each week.

No instrument? Instrument not playable? All your reeds are broken, valves are bent, and slides won't move? Many of the options below do not require the use of your instrument.

Engagement/progress checks: On Friday each week by 2:30pm, please submit a [band log here](#). By clicking that link, you'll be taken to a quick survey about what you did for the week in band. It should take less than 1 minute to fill out. If it's easier for you, you may also email Mr. Walder with what you did. Don't forget to include an attachment of your writing/video/art or whatever else you may have done for the week.

All grades: choose an option from the list below to complete for the week. Don't forget to [submit your band log](#) with any attached work on Friday!

- **Practice your instrument (May be repeated):** Practice your instrument for 20 minutes per day. Use SmartMusic to practice from the Essential Elements book or find new music to play along with. Don't forget to warm-up!
- **Jazz Students (may be repeated):** Transcribe a solo. Go to [the link](#) below. You can set up a noteflight account and do the work there. Once you are done, share with Mr. Walder. There are multiple levels and each is linked to a youtube video.
<https://shedthemusic.com/transcription>
- **Propose a band program/concert:** Create a band program of your own for the class that you are in. Decide how to structure your program and pick pieces that fit your vision/theme. Explore music publishing or distribution websites for ideas. Include at least 3-5 choral/instrumental pieces (10-15 min of music). Create a slideshow with a slide for each piece that explains why you have chosen that piece and a link to a recording of it. Have one additional slide that explains your vision.
- **Do a comparative analysis:** Find two recordings of the same piece by two different artists (you could use one of our pieces we are preparing or a song recorded by two different artists). Analyze how they are similar and how they are different and why you prefer one over the other. Write up an analysis (at least two hundred words). This should be 2-3 paragraphs.
- **Explore music careers:** Consider all of the ways that you consume music now that you are social distancing. Explore and pick a music career that is responsible for bringing music into your home (e.g. sound engineer, commercial artist, film composer, jingle writer, youtube artist). Write up a short summary of what this person does, what type of schooling would be helpful for this career, skills necessary for this job, and your thoughts on that profession. This should be 2-5 paragraphs
- **Create a Meme:** Create a music themed meme and share/attach it when turning in your assignment.

- **Playlist:** Curate a playlist for my listening pleasure. This could be any genre, any music, any theme (school appropriate). The playlist should be at least an hour long and include at least 10 different tracks. Write 1-2 paragraphs outlining why you selected the songs you selected and help me understand why this is the coolest playlist on the planet. Share your playlist through Spotify or another music player if you'd like.
- **Listening reflection (May be repeated):** Listen to an hour's worth of music from one artist on the recommended listening list. Provide youtube links to the videos that you watched as well as completing a listening reflection sheet for your experiences. Write 2-3 paragraphs about what you listened to, what you liked/didn't like, and other observations you had.

Listening List: <https://docs.google.com/document/d/141La8ERD4L6d-GmibVblOewCgYNAyzUmjDOYb54riIQ/edit>

- **Create a piece of art:** paint a picture of how music makes you feel. While listening to music, paint a picture of how that music makes you feel. You can use pencil and paper, your computer, or any other art supplies you might have. Then, include an explanation of the piece you create as well as a playlist of what music you were listening to.
- **Write about how music has affected your life:** Write 2-3 paragraphs on how music has affected you. Include a specific song that relates to this.
- **Watch one of the following ted talks.** Write 2-3 paragraphs describing what the video was, how music is featured in it, how this applies to your musicianship, and any other thoughts you may have had. And answer the four questions.

This Weeks's Artwork choices: 1) Make a reproduction of a famous artwork with drawing, painting, photography, or small objects like legos or beads. 2) Make a positive negative block collage. 3) Make an artwork with graph paper.

"Ebert Art Options 18-22 May 2020" and the most current "The Week in Art" are posted on my website documents file.

http://pms.nkschools.org/staff_sites/art_department/cox-ebert_kate/documents

Choose any assignment from the options posted from this or previous weeks. If you would prefer to do an art project of choice that is not listed in the assignment options, that is fine. Please photograph your work and attach it to an email with your name and a few sentences about it or drop this off at school during collection times. Tell me about the process you used to create it, why you chose to do the work you did, your

thoughts or ideas about your artwork, or a critique on how it turned out, what went well, and what you might do differently if you did the project again. Whatever you wish to share with me about your work will help me understand it better. Also, if you would like for your work to show up in "The Week in Art", please tell me that I have permission to post your work when you send your picture. I look forward to seeing what you are creating at home and hearing from you. Be well and have an excellent week. -- Mrs. Ebert

Librarian Notes and Support for This Week:

Read Aloud Book Club: Our first "Read Aloud Book Club" began Thursday, May 14th. You can still join and watch the recording from our first meeting! Mrs. Rock does the reading, you get to relax, enjoy, and connect with others. We are reading *Small Spaces* by Katherine Arden, a story of a young girl who has to survive after her school bus mysteriously breaks down in a deserted place. To register please complete this short form so Mrs. Rock can add you to her Team: <http://bit.ly/2YJUk3m>

Library Book Checkouts: Mrs. Rock can now check out regular library materials to students. To request up to 10 items, login to [Destiny Discover](#) and place a hold on the books you would like. Here's a quick video to remind you how to do that: <http://somup.com/cYhXY0jDY0>

Pick up your requests each Monday on the yellow library cart outside the front doors near "Packet Pickup". You can contact Mrs. Rock if you have any questions at drock@nkschools.org

Textbooks and ELA novels can be requested through this link and will be available for pickup on the yellow library cart near packet pickup: <https://bit.ly/2xfAodj>

Book Returns: Please keep all library and textbooks safe until we can collect them later this spring. At this time, we cannot receive materials. All items are due June 8th.

Questions can be directed to Teacher-Librarian, Debbie Jo Rock, at drock@nkschools.org.

Occupational Therapist:

Mrs. Moseley's Office Hours: Monday – Friday 1-2pm (or by appointment).

Feel free to email me anytime if you have any questions.
