

Good Afternoon families

I cannot believe that we are already starting second semester. This is a great time for students to get a fresh start on their learning and grades.

I also want to give a big thank you to our two counselors, [Mr. Segur](#) and [Ms. Keltner](#) this week as this past week was National School Counselor Week.

Congratulations to our students of the month for January.

Goal #4 of the new North Kitsap Strategic Plan focuses on Future Ready Graduates – Prepared for Life, Career, and College. At Poulsbo Middle School, we are working to make sure that all students goals and dreams come true. To help students get prepared for high school, students are completing interest survey's, setting goals for post high school, and identifying work that shows them as learners.

If you are interested in one of the [NKSD Signature Programs](#), applications are currently being accepted. Students have the option to apply to the Middle School

Robotics Program held at KMS or the Options Program held at Wolfle for next year. All applications are due to the district by March 6th 2020.

Can you fluently read, write, speak, and listen in a language other than English? Then you have an opportunity to earn up to 4 high school credits in a world language by successfully passing a district approved assessment. You can also earn a [Seal of Biliteracy](#) on your High School Diploma. For more information about the Seal of Biliteracy, please attend an informational meeting on Wednesday, February 12th at North Kitsap High School from 7:00 to 7:30.

Reminder that we have no school on Monday February 17th in honor of Presidents Day. We will have school on February 18th as that is our first snow make-up day.

Make it a great day

Josh Emmons
Principal
