

Good Afternoon Families!

This past week we were able to recognize the hard work of many of our students during our 1st semester awards assemblies, from success in individual classrooms and subjects, to our Honor Roll students, to our Students of the Month. Congratulation to all the students who were recognized.

Congratulations to our Students of the Month for February.

6th Grade – Mason Peters, Theo Mason-Todd, Kaiya Collins, Aria Clegg

7th Grade – Micah Moyers, Jordan Williams, Maiden Sampson, Norah McFeat

8th Grade – Brandon Weiler, Nathan Lesco, Marisa Emmons, Jocelyn Jamrog

Along with the four goals of [North Kitsap School District Strategic Plan](#), we also have the four pillars. Pillar A – Accountable, culturally responsive teaching and learning, addresses how we will provide equitable learning opportunities for all students. To address the pillar, our teachers collaborate every Wednesday to discuss standards, instructional strategies, and assessment data. The teachers use individual and classroom data to provide interventions and enrichment opportunities for all kids. Throughout the remainder of the year, we will continue to work to provide highly engaging lessons for students to meet their individual learning needs.

We have a great opportunity to have [Mr. Moriwaki](#) come and talk with our 7th graders Friday, March 13, about the Japanese Internment Camps during World War II as part of our study of Washington State History. Mr. Moriwaki is currently the president of the [Bainbridge Island Japanese American Community](#) and the founder of the [American Exclusion Memorial Association](#). Thank you to Mr. Moriwaki for taking time to share about this time in our state history.

Students are starting to prepare for Student Led Conferences, taking place the first week of April. Sign-ups will begin Monday March 9, using [Skyward Family Access](#). This is a great time to hear about how much your children have grown this past year. Students will be presenting information about their academics, progress towards goals, and future ambitions. Please join us in partnering to support the growth of your child.

Stay connected to what is happening at Poulsbo Middle School by subscribing to the PMS [Facebook](#) page and the [PMS Instagram](#). This is a great way to stay connected to what is happening with our students.

Make it a great day!

Josh Emmons
Principal
